

Dates and Venues with
Dyfed Diners

Phone: 01834 844668

Dear Diner,

The following table, **which could be changed**, gives you the plans for the forthcoming year. The five dark, wet winter Socials have been replaced by Sunday lunches. More details of the venue will be given in the monthly newsletter, and a map can be seen on the **website** for those with access. All the venues for the month can be seen there. Phone for more details if you are unsure.

For the social, the emphasis is on a good 'bar' meal which is not too expensive. Letting us know if you are coming is now **very important** as a table has to be booked in advance. Try to let me know a **week** before but **no later than two days before**.

For the dinner, the deadline will be given on the newsletter. Generally, it is usually a couple of days before the date as a provisional booking will have been made.

For the Sunday lunch, please let me know preferably the weekend before.

Unusual Dates are marked in **bold**.

You can phone **Philip** on **01834 844668**. Please keep the table of dates and locations for this year to help you make plans.

I hope to see you at the meetings,

Philip.
