Dear Diner,

The Saturday Social has been replaced by a **Sunday lunch** at **The Bush Inn** at **Robeston Wathen** on **7th May** at 12:30 p.m. If the weather is fine, we will have the opportunity to go to the Colby Woodland Garden near Amroth as it was too wet to go there last Sunday. Let me know as soon as possible if you are coming. **SatNav: SA67 8EP**

The 350th midweek Dinner is on **Wednesday 17th May** and the venue is- the **Carew Inn** near **Carew Castle**. We have not been here for many years. **Sat Nav: SA70 8SL**

The Carew Inn lies off the A477 St. Clears to Pembroke Dock road 5 miles east of Pembroke Dock.

From the east, join the A477 at St. Clears, bypassing Kilgetty, Redberth & Sageston. Turn right at the Carew roundabout.

From the west, join the A477 at Pembroke Dock. Travel eastward through Milton and turn left at the Carew roundabout.

From Tenby, join the B4318 through Gumfreston to join the A477 at Sageston. Turn left and carry on to the right turning at the Carew roundabout.

The **Carew Inn** lies on the right hand side of the **A4075** not far from the roundabout on the **A477** and **just before the bridge over the mill pond at Carew Castle**. There is a **car park** a little further on, on the right, before the bridge.

From the north, join the **A4075** at **Canaston Bridge** on the A40 and travel south to Carew. **The Carew Inn is on the left just after the mill pond bridge and the car park.**
