The Bush Inn
Robeston Wathen
27th November 2022*

Dear Diner,

The 257th Sunday Lunch is at The Bush Inn at Robeston Wathen. This venue has very reasonable prices and good food. This will be our fourth visit for Sunday lunch.

Sat Nav: SA67 8EP

The Bush Inn lies on the old A40 just outside Robeston Wathen, on the hill down to Canaston Bridge. We have visited here many times, and it is now under new ownership.

Robeston Wathen is near Narberth, but only people coming from the Tenby area need pass through Narberth. It is about 20 minutes drive West from St.Clears, or 15 minutes East from Haverfordwest.

A new bypass has been built past Robeston Wathen. From the **West** turn off the new road at the **Canaston Bridge Roundabout** and take the road to Robeston Wathen. The Bush is then on your left just before reaching the village sign.

From the **East** turn off the new road at the **Robeston Wathen Roundabout** to Robeston Wathen, pass through the village and The Bush is then on the right as you descend the hill to Canaston Bridge. **SatNav: SA67 8EP** but look for the new turning on the bypass.

If you are coming, phone Philip on 01834 844668 by Saturday 19th November.
